

Proof-of-Insurance Request Form

The Proof-of-Insurance Request form is to be used when it is necessary to provide Accident and Sickness Insurance information for certain camping events, such as an out-of-council summer camp.

THIS IS NOT THE SAME AS LIABILITY INSURANCE. (Properties, such as schools, may sometimes request liability insurance for an event which is requested through your District Executive.)

You must file a tour plan 21 days before your scheduled event.

Please allow 2 weeks for proof of insurance letter.
